Dorian Wolfe is an AI-generated character, not a real person, and has no personal life story. This is general communication advice for adults. It is not therapy, medical, legal or financial advice, and no result is guaranteed. Always respect other people's boundaries and consent.

INTRODUCTION

WHAT YOUR PROFILE IS FOR

A profile has one job: to give a person a real, friendly reason to start a conversation. You do not have to impress everyone. You want the right few to feel they can reply.

Be recent	Photos from the last year or two.
Be specific	"Sunday walker with a camera" says more than "adventurous".
Be honest	Age and photos that match. Lies come out on the first date.
Be private where it matters	Share personality, not your address or workplace.

A NOTE ON EVIDENCE

This guide uses general relationship, safety and social-skills advice plus common sense. There is little research on dating after 35, and almost none on conversations at this age, so treat everything as practical guidance, not a guarantee. Dorian Wolfe is an AI-generated character with no personal story.

STEP 1

YOUR PHOTO PLAN

Headshot	Doing something	With friends	Soft light
clear smile	a hobby	easy to spot	near a window

- [ ] A clear, smiling headshot (main photo).
- [ ] A full-length photo, so nobody is surprised.
- [ ] You doing something you enjoy (hiking, baking, a class).
- [ ] A relaxed candid, with a real smile.
- [ ] Optional: you with friends (easy to tell which one is you), a pet or a place you love.

LEAVE OUT

- ✕ Heavy filters, or photos from many years ago.
- ✕ Sunglasses in every photo.
- ✕ Group shots where it is hard to tell who you are.
- ✕ Photos at your front door, your children's school or your workplace.
- ✕ Children's faces. Keep them private.

STEP 2

LIGHT, ANGLE AND EASE

Soft light	Face a window or stand in open shade.
Eye level	Ask a friend to hold the camera at eye level.
A real smile	Think of something that makes you laugh.
Simple background	Tidy, uncluttered, nothing that shows your address.
Wear what feels like you	Colours you like, clothes that fit.

TRY THIS

Ask a friend to take 20 photos in soft light. Pick the best three.

STEP 3

THE BIO FORMULA

Line 1: who you are	What fills your days, in a specific detail.
Line 2: what you love	Two or three specifics.
Line 3: what you want	One honest sentence about what you are looking for.
Line 4: an easy hook	A question or a "message me if ...".

Nurse by day, bad singer in the car. Saturdays: farmers market, a long walk and soup. Looking for someone kind with a sense of humour. What is your go-to comfort food?

For example only. Use your own words.

DRAFT YOUR BIO

SWIPE FILE

8 BIO TEMPLATES TO ADAPT

- "[Job or interest]. [Weekend ritual]. Looking for [quality]. Tell me your best [food, trail, film]."
- "Back in the dating pool after a few years. Slow and honest is my style. [Hobby] on weekends."
- "I laugh easily and cook badly. Ask me about [funny story topic]."
- "Walker, reader, tea drinker. Would like to meet someone who knows what he or she is looking for."
- "Mum of two grown kids and a very spoiled dog. Love [activity]. What is your favourite [thing]?"
- "I am here to meet someone kind, not to collect matches. [Interest] is a bonus."
- "[Place] local. [Interest]. If you can recommend a good [thing], we will get on."
- "Recently single, curious and in no hurry. Coffee first, then we will see."

MAKE IT YOURS

Change two words in any template so it sounds like you.

PROMPTS

PROMPT ANSWERS TO ADAPT

A perfect Sunday	A slow breakfast, a long walk, and a book in the garden.
I am looking for	Someone warm who takes his or her time and is honest.
You will know I like you when	I send you my favourite song.
My simple pleasures	Fresh bread, cold swims, and a good chat.
Two truths and a lie	Choose something light and easy to guess.

SAFETY ON YOUR PROFILE

- [ ] First name only. No surname, address or workplace.
- [ ] No photos that show where you live, your children's school or your car number plate.
- [ ] Keep chatting inside the app until you trust the person.
- [ ] Video call before meeting.
- [ ] Never send money, gift cards or crypto, or private photos.
- [ ] Block and report anyone who ignores a no.

US survey data (Pew, 2023, all ages) found women were more likely than men to say they got too many messages and to report unwanted contact. A safety routine is not paranoia. It is a habit.

MESSAGES

HANDLING THE MESSAGES THAT ARRIVE

Use a filter	Reply to messages that are specific to you and ask an easy question.
You can ignore	You never owe a reply.
A polite close	"Thank you for chatting. I do not think we are the right match. I wish you well."
If it turns unpleasant	Do not argue. Block, report, and keep a screenshot.

TAKE A BREAK

If messages feel like too much, pause the app for a week. Nothing is lost.

AUDIT

PHOTO AUDIT

Tick each photo you are keeping.

- [ ] It is from the last two years.
- [ ] My face is clear and I look like myself.
- [ ] I look relaxed.
- [ ] It shows nothing about where I live or work.
- [ ] It shows nothing about my children.
- [ ] A friend agrees it is a good one.

- [ ] Day 5: Run the safety checklist.
- [ ] Day 6: Ask a friend.
- [ ] Day 7: Publish and rest. Check once a day, not ten times.

DATING CUSTOMS: WHAT IS NORMAL WHERE YOU LIVE

Customs vary by city, age and background. Surveys on them are small and often company-run, and I found none on first dates for over-35s, so treat this as common practice and be kind.

Who pays

Surveys disagree. In US polls, answers were split between "the man", "whoever asked" and "split it". A UK survey found "split evenly" the most common answer. The safe move in all three countries: offer to split, or say "this one is on me, next one is yours", and accept a no kindly.

What to call it

In the USA and Canada people say "date" fairly early. In the UK, "meeting up" or "going for a drink" is common before anyone says "date". Match the other person's word.

Where to meet

A public place, in daylight, that you chose or know. Tell a friend where you are going and when you will message them. This is general safety advice, not a rule of any one country.

Apps

Pew (USA, 2022) found Tinder, Match and Bumble the most used among online daters. UK figures (Ofcom, 2024) show Tinder, Hinge and Bumble with the largest reach, and that Plenty of Fish and Badoo skew towards ages 35 to 54. No reliable ranking for Canada was found. Pick the app where people your age actually are.

IF YOU THINK YOU ARE BEING SCAMMED

Stop contact. Do not send more money. Tell your bank or card company straight away, keep the messages and screenshots, and report it. Shame keeps scams going: you are not the first, and reporting helps.

USA	Report to the FTC at **reportfraud.ftc.gov** and to the FBI Internet Crime Complaint Center at **ic3.gov**. If you sent money, tell your bank or card company straight away.
Canada	Report to the **Canadian Anti-Fraud Centre: 1-888-495-8501**, or online at antifraudcentre-centreantifraude.ca. If you lost money, also contact your local police and your bank.
UK	Report to **Report Fraud: reportfraud.police.uk, 0300 123 2040** (England, Wales and Northern Ireland; in Scotland call Police Scotland on 101). It replaced Action Fraud in December 2025. To reach your own bank's fraud team, **dial 159**.
