WOLFE

REEL SCRIPT LIBRARY

22 REEL SCRIPTS BUILT ON REAL SEARCH WORDS

Hook, spoken lines, caption, hashtags and a comment keyword for each script. Free guide first, paid guide second.

Dorian Wolfe is an AI-generated character, not a real person.

How to use this library

1 · Hook red text on screen → **2 · Lines** read in order → **3 · Caption** + hashtags → **4 · Keyword** comment CTA

- Each script is one page: the on-screen hook, then the words you say, **one line per row**.
- Read the lines into the locked voice (Brian), in order. The last line is the comment-keyword call to action.
- Put the free keyword (SCAM or TEXTS) on at least half of your posts.

RULES

Rules for every post

✓ DO

- Say "AI character" in the bio and in a pinned comment.
- Label message examples "for example".
- Say "try" and "practise", not "this will work".
- Add the 988 line on sad or hopeless topics (US).
- Use meme formats with your own clips and sound.

× DON'T

- Tell personal stories ("my ex", "I dated 100 women").
- Promise a date, a partner or a reply.
- Invent numbers or reviews. Only FTC ($2.4B, people 60+, all fraud) and Pew (64% of men, all ages) are checked.
- Use another person's clip, or trending audio outside the app.
- Make medical, legal or financial claims.
- Joke at a person or group.

Reel 1 fix. The old Reel 1 says "comment PLAYBOOK, free guide". The Playbook is paid. Change the keyword to TEXTS, or say "I'll send you the link".

1. Okay, listen. If you're a man dating after divorce... and you don't know where to start... this is for you.
2. First. You're not behind. There's no clock. How soon should you start dating after divorce? When you can think about her without thinking about your ex. That's it.
3. Second. Rebuild your circle. Call one friend this week. Make one plan. Don't make dating your whole life.
4. Third. Write your thirty-second story. Who you are, what you like, what you're looking for. Say it out loud until it sounds like you.

2. You don't fix fear by reading. You fix it by doing one small thing. A small thing. Not a big thing.
3. Day one, say hello to a stranger. Day four, ask one question and listen to the answer. Day ten, message one person. That's it.
4. Small steps, every day... and the fear gets smaller. Not gone. Smaller.
5. And if it feels heavier than nerves... talk to someone. In the US, call or text nine-eight-eight.
