HOW TO USE

USE THEM LIKE A PERSON, NOT A LIST

Pick, don't read	Choose a card that fits the moment. Skip any that do not.
Share back	After she answers, share your own answer. This stops it feeling like an interview.
Follow up	The best question is the follow-up: "What was the best part?" "Why that one?"
Read the room	Start with Easy, move to Warm, then Playful or Deeper if it feels right.
Go slowly with Deeper	These work after you have built some comfort. Never push.

8 FOLLOW-UPS THAT ALWAYS WORK

- "What was the best part?"
- "How did that feel?"
- "Tell me more."
- "What made you choose that?"
- "What happened next?"
- "Is that a thing you still do?"
- "What did you learn from it?"
- "That sounds like a story. I have time."

PRINTING

Print on stiff paper and cut along the dotted lines, or just keep the PDF on your phone.
