HOW TO USE THIS WORKBOOK

Confidence grows from doing things, not from waiting to feel ready. Each day has one small task. Most take 5-10 minutes.

1. Do the task	Tick it off. It does not have to be perfect.
2. Write a line	What happened, how it felt.
3. Review each week	Notice what is getting easier.

IF YOU MISS A DAY

Carry on from where you are. Do not start over.

This workbook is not therapy. If anxiety or low mood makes daily life hard, speak to a doctor or therapist. In the US, call or text 988 if you feel hopeless.
